## 1. GENERAL

- (a) **Membership prices, the Policy document and this Membership Agreement apply to all users and are NOT negotiable.**
- (b) Memberships are offered on a per player basis and are NOT interchangeable or able to be shared between family members or other players. Where families have 2 or more players, each child / adult will require their own membership.
- (c) All memberships are a minimum of 12 weeks duration. No time-outs or membership suspensions will be allowed during this 12 week period.
- (d) In the event that a member is injured or otherwise medically incapable of completing the initial 12 week period (Medical Certificate or other proof of illness or incapacitation required), the following 3 options are available :
1. Place the membership on temporary hold until such time as you are able to resume the membership and complete the 12 week period. If membership prices have increased in this time, your membership will resume at the prices in effect at the time of your resumption of membership.
  2. Transfer the membership to a family member who is able to use the remainder of the initial 12 week membership. Note: If you elect to transfer your membership to another family member, this will end your membership. If you wish to resume training, you will be required to take out a new membership and the 12 week minimum training period will apply.
  3. If neither of the above options are suitable, you can cancel the membership by paying the \$150 early termination fee – refer Item (e) below.
- (e) Cancellation of a membership during the minimum 12 week term will incur an early termination fee of \$150.
- (f) Membership is ongoing and membership fees will continue to be paid until written notification to cancel this Membership Agreement has been received from you by Premier Cricket. Cancellation requires **2 weeks' notice in writing** (a link to the 'Cancellation | Time Out' document is on the bottom of each page of the Premier Cricket Website). It is your responsibility to confirm that the cancellation request has been received and processed by Premier Cricket. Any membership fees payable during this 2 week period will be collected.
- (g) Membership time-outs are allowed once the initial 12 week period has elapsed. A time-out must be for a minimum of 1 week to a maximum of 6 weeks. On resumption of your membership, a minimum period of 12 weeks is required before further 'time-outs' may be requested. If you are resuming your Membership after a 'time-out' period of more than 6 weeks, your Membership price / terms & conditions will be in accordance with the prices and Terms & Conditions at that time. If you wish to put a 'time-out' in place, a link to the 'Cancellation | Time-out' document is on the bottom of each page of the Premier Cricket Website. It is your responsibility to confirm that the time-out request has been received and processed by Premier Cricket.

The first direct debit from your Bank Account or charge to your Credit Card will be made at the time of completing the **Premier Cricket Member Details / Direct Debit Request** document (2 weeks in advance) plus the joining fee (where applicable).
- (i) Should your membership fees fall into arrears, Premier Cricket reserves the right to refuse entry until such time as arrears have been received and 2 week's membership fees in advance has been received.
